To

H. V. Nanjundayya Esquire M.A. M.L.
Secretary to the Government of
His Highness the Maharaja of Mysore,

Sir,

In submitting herewith, a bill for Rs 256/- being the amount of house-tax due on the Barr quarters at Chitaldrug for the years 1901-02 and 1902-03, I have the honor to state that the land on which the Barr lines stand formerly belonged to the Kelagote Village, Chitaldrug Taluk, which was subsequently brought within the municipal limits of the Chitaldrug town with effect from 1st July 1901 under the orders conveyed in Government Proceedings No. 2162-66/L.7. 47-1900 dated 12th August 1901, and the same notified in the Gazette (vide Government Notification No. 2665/L.7. 47-1900 dated 12th August 1901 published at page 522 of Part I of 15th August 1901).

2. Thereupon the Valuation and the assessing-

of

of houses in the Barr lines was conducted by the Amildar of the Chitaldrug Taluk (report enclosed) in the presence and with the knowledge of the Detachment officer stationed at Chitaldrug. In July 1903, a requisition was sent to the Chief Commandant, Mysore State Troops, requesting him to permit the amount of the bill in question This was, however, not complied with by that Officer, the reason assigned for the refusal being that the Barr lines remained outside the Municipal limits and that the conservancy of roads and drains in the lines was not attended to by the Municipality.

3. The objections raised by the Chief Commandant were answered in this office letter No 903 dated 12th November 1903. The reply received from the Chief Commandant to the above Communication is to the effect that the amount of the bill minus the cost of conservancy said to have been carried out by the Barr Department during the past 2 years would be paid to the Municipality, if approved. Copy of the above correspondence is enclosed for information.

4. On a final perusal of the Diwan's Correspondence ending with the Vice-Presidents' Yadi No 114 dated 10th September 1903, it will be seen that the Municipality had made the necessary arrangements —

arrangements in respect of conservancy of roads in the lines which were in force for sometime but latterly for some reason best known to himself, the Barr Detachment Officer at Chitaldrug had refused to avail himself of the same. A Water tap has also been given for the use of the people in the lines and this has been in use since the introduction of the pipe system into the town

5 Under these circumstances, I Consider that the Municipality is fairly entitled to the house tax due on the Barr Quarters for the past 2 years, and as the amount of the bill has been outstanding for the past two years, I beg to submit the matter for favor of the early orders of Government

I have the honor to be,

Sir,

With reference to your letter No. 500 dated 18th August 1903, regarding the payment of house-tax due on the Barr Quarters in the Chitaldrug Municipality, I have the honor to state that prior to July 1901, the land on which the Barr Lines are located belonged to the Village of Kelkote of the Chitaldrug Taluk and was outside the municipal limits but a portion of the Kelakote Village Comprising also the Barr Lines and other Government buildings, was brought within municipal limits and added on to Chitaldrug town proper with effect from 1st July 1901, under an order conveyed in Government Proceedings No. 2612-14/L.F. 47-1900 dated 12th August 1901 and the same notified in the Gazette (Vide Government Notification No 2615/L.F. 47-1900 dated 12th August 1901 published at page 522 of Part I of 15th August 1901) In his report No. 210 dated 29th August 1903 (Copy Enclosed) Mr V. 2. As regards the Conservancy of the roads and drains in the lines, I beg to enclose for your information Copies of Correspondence ending with the Vice Presidents yadi No. 114 dated 10th September 1903 from which it will be seen that the Municipality had made the necessary arrangements which were in force for some time but that Cattery for some reason best known to himself, the Bear Detachment Officer has refused to avail himself of the same.

Copy of letter No 3024 of the 5th April 1904 from the Chief Commandant Mysore State Troops to the Military Assistant Mysore Government -

The Officer Commanding detachment at Chitaldrug reports that he is not aware of any arrangement made by the Municipality to conserve the lines.

In para 2 of the Yadi No 214 alluded to by the President of Municipalities, Chitaldrug District, in his letter No 554 of the 7th January 1904, the vice President of that place admits that the conservancy of roads and Drains inside the Barrlines was not done by the Municipal agency and that only a Municipal scavenger had been employed for a time to remove the rbbish outside the lines, Under the circumstances the detachmental Officer at Chitaldrug does not seem to have had an ocassion to prohibit the municipal agency from conserving the lines.

As the cost forconserving the lines between the years 1901-1902, and 1903 -05 has been met from this Department, it was proposed to the President, that the amount of the bill under reference, less the above cost would be paid .

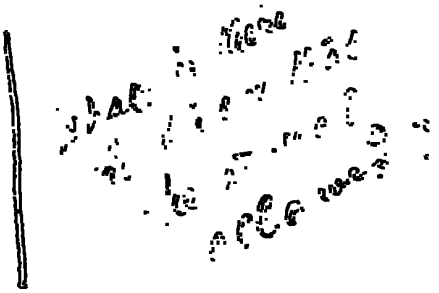
clean latrines inside the Barr lines at Rs 8/- per mensem, and lighting charges at Re 1 per mensem, the total expenditure for 1 year being Rs 204/-

The Vice President reports that the Municipality has employed 1 Sweeper for cleaning the surroundings of the Barr lines. This Sweeper is not allowed inside the Barr lines, a matter for which the Municipality cannot be responsible.



The Municipality has nowhere undertaken to clean private latrines, its duties being confined to keeping the roads, drains and dustbins clean. Hence, the pay of the two latrine Scavengers said to have been employed by the Barr Detachment officer cannot fairly be set off against the house tax.

One light and a Sweeper can be given by the Municipality for the exclusive use of the Barr lines.

Under these circumstances the

the only item that may properly be set off against the house-tax is the sum of Rs 12 annually spent for the Barr lighting lines. If this is done, the balance recoverable from the Military Department comes to Rs 384. minus Rs 36 i.e., Rs 348/- up to end of the year 1903-04.

The Vice President of the Chitaldrug Municipality has been asked to make necessary arrangements for conservancy of the Barr lines and for lighting purposes, as suggested in the concluding para of the docket under reply.

The undersigned therefore requests that the Military Assistant may be kindly addressed to remit the sum of Rs 348 referred to above for being credited to the Municipal Funds.
